ington city, that Congress passed an act per- stance all this was brought about : mitting additional selections of land to be made to aid in the completion of the Wabash and Erie Canal. Under its provisions it is estimated that about one hundred thousand acres will be received for that object.

TRUTH LEARING OUT .- The editor of the Vanderburgh Democrat succeeded in his paper of Saturday last, in proving to his own satis. faction, and, no doubt, to the satisfaction of the public, that the party with which he fraternizes is no better than they should be-that a "Tory is s ynonymous with Robber and Murderer." We have had our own opinion about this matter for some time, but we prefer always that our opponents should draw their own likenesses; they can paint nearer to life EDWARD W. McGuagner, of Park. than Whigs. According to the Democrat, the party who have all along succeeded "in depriving and defrauding the people of their just rights, and monopolizing them for their own benefit" is the "Tory party." So we think; but we can hardly believe the locofoco leaders and aspirants hereabouts will thank the editor for exposing their corruption just at this IMPROVEMENTS IN INDIANA-RAIL ROAD FROM time, when they are busy in making their sevileges" in the shape of mint drops "monopoized" by thirty-seven "Tories"-or "Robbers," fifty-six cents, or nearly nineteen thousand dol-On Saturday, as the delegates were return- lars a head.
